Hi Melissa,

Do you have updated region contact sheets to share?

I know there are a lot of staff being shifted currently but I am working off old sheets with Tharman's name still on them.

Example from recreation attached.

Hello,

Attached are the most updated directories for staff.

I'm missing the Pacific Region but will send it when I get it.

This will help us to know who is where when we need to call for exposure management and other duties where we need to call the center.

Thank you.
